**Hundreds of people each day pass their IT certification exams with Testking guaranteed certification resources and training kits.**

Use the [CompTIA TK0-201](#) questions and answers to practice for your next CompTIA certification exam. If you don't pass – you don't pay! Testking has the first and only 100% product satisfaction and exam passing guarantee. Advanced practice questions and answers help drive the information into your routine thinking and surpass TK0-201 brain dumps in retention and skill building.

[CompTIA](#) TK0-201 exam answers and practice questions can be used at home or office, installable on up to two PCs, or print the questions and answers to take with you and train on-the-go! CompTIA TK0-201 preparation tools are the perfect fit for any CompTIA certification candidate with [TK0-201](#) training materials for every level of entry.

**Exam Engine Features**

Control your IT training process by customizing your practice certification questions and answers. The fastest and best way to train.

- \* Truly interactive practice tests
- \* Create and take notes on any question
- \* Retake tests until you're satisfied
- \* YOU select the areas of the exam to cover
- \* Filter questions for a new practice test experience each time
- \* Re-visit difficult questions

Exam: TK0-201 Certification Questions & Answers

**Question 1:**

At the beginning of a two-hour seminar with 60 people, the instructor realizes that the overhead projector image is not bright enough to display overheads. The combination of which two of the following actions is MOST appropriate for the instructor to take?

- I. Open the projector to look for a spare bulb, which may be brighter.
- II. Use a flip chart or white board as a substitute.
- III. Move to a different classroom that has acceptable equipment.
- IV. Reschedule the class until replacement equipment can be obtained.

- A. III and IV
- B. I and II
- C. II and IV
- D. I and III

**Answer: B**

**Question 2:**

At the end of a course, learners are asked in a written questionnaire to provide an evaluation of their instructor's performance.

Many of the learners rate the instructor as unsatisfactory in the use of media. In which of the following does the instructor need to improve?

- A. Reporting evaluating information.
- B. Demonstrating effective communication skills.
- C. Demonstrating effective presentation skills.
- D. Managing the learning environment.

**Answer: C**

**Question 3:**

During training, adjustments to instructional methodologies and activities may be required because of limitations of the instructional setting. When this is necessary, it is important for the instructor to do each of the following EXCEPT:

- A. Report changes made to instructional media and provide a rationale.
- B. Explain differences in activities and schedules and provide a rationale.
- C. Redesign the course objectives to accommodate the instructional setting.
- D. Evaluate the effects of the instructional setting on learner progress.

**Answer: C**

**Explanation:**

IBSTPI Competency 13  
Evaluate delivery of instruction

**Question 4:**

## TestKing [CompTIA TK0-201](#) Exam Questions & Answers

---

An instructor enters a classroom at an industrial plant dressed in formal business attire. The audience consists of a group of technical professionals in jeans and t-shirts attending a course on computer repair. Based on the above, what likely impact will the attire of the instructor have on the students?

- A. None, the instructor's attire does not typically impact the students
- B. The instructor will likely be seen as an expert in their field
- C. The instructor will likely gain credibility with the students being dressed as a person in authority
- D. The instructor will likely lose credibility with the students being dressed as a person in authority

**Answer: D**

### Question 5:

When recommending revisions to existing materials and suggesting new programs and activities, the trainer should first communicate with which of the following groups?

- A. Other trainers
- B. Instructional designers
- C. Management
- D. Previous attendees

**Answer: B**

### Question 6:

In a number of course evaluations, the students complained that the course materials seemed out-of-date and included a number of errors. What did the instructor fail to do properly to advert this?

- A. Communicate effectively and efficiently
- B. Analyze learning materials
- C. Manage the learning environment
- D. Gather and analyze learner information

**Answer: B**

### Question 7:

A company has just finished evaluating the performance of two instructors it used over the past year. It found that one instructor who mixes role-play, small group activity and oral reports from learners with lectures has been consistently more effective than the other who only teaches by lecturing.

What should be recommended to the less effective instructor?

- A. Implement a variety of standard instructional methods.
- B. Consider the group dynamics for each of the methods.
- C. Provide a rationale for the use of the lecture technique.
- D. Recommend revisions and changes to existing course material.

**Answer: A**

### Explanation:

IBSTPI Competency 10 + 11

Adapt to different learning styles

Substitute for, add to ,switch media as required

No more that +-10 minutes for each media type

**Question 8:**

Select the appropriate instructional activity from the list below that would be most appropriate to guide instructional decision-making. Each choice may be used once, more than once, or not at all.

Mark is a member of an organization that has recently received a great deal of unfavorable publicity about the actions of many of the organization's members at a recent convention. The instructor has just received the first instructional assignment since the publicized events took the place.

In this situation, what must the instructor do first to gain the respect of his audience?

- A. Demonstrate acceptable personal conduct.
- B. Demonstrate context expertise.
- C. Demonstrate flexibility in response to learner needs and interests.
- D. Demonstrate effective questioning techniques.

**Answer: A**

**Explanation:**

IBSTPI Competency 3

Instructor credibility is important for learner acceptance of instruction

**Question 9:**

For this question, decide whether the action makes it likely or unlikely that the trainer will achieve the goal. Select the BEST statement of the reason that the action is likely or unlikely to accomplish the goal.

GOAL: To clarify a particular difficult concept.

ACTION: The trainer uses a relevant anecdote to demonstrate how this concept applies to the group.

- A. UNLIKELY, because the anecdote may offend some of the learners.
- B. LIKELY, because the anecdote will increase the interest level of the group.
- C. LIKELY, because the anecdote will heighten the learners' understanding of key points.
- D. UNLIKELY, because the anecdote may be seen as a waste of time.

**Answer: B**

**Question 10:**

A learner makes an inappropriate comment during class introductions and continues to do so during small-group interaction. According to the ibstpi standards, the instructor should first take which of the following steps?

- A. Discreetly speak to the learner to discourage this behavior.
- B. Request that the learner's supervisor speak to the learner about the behavior.
- C. Announce to the class that the comments are inappropriate.
- D. Respond with humor to the comments and try to make light of them.

**Answer: A**

**Explanation:**

IBSTPI Competency 4, Pages 52-53

Performance 7

Individuals are prevented from engaging in unsafe or illegal activities

Learner self-esteem is maintained

**Question 11:**

During a break in a class, a trainer receives an e-mail from a friend that contains a joke that would fit nicely with the next topic. The joke contains a questionable punch line that is related to cultural differences, but the members of the class do not appear to be part of the cultural group the joke might offend. The trainer should:

- A. use the joke but preface that no one should be offended
- B. go ahead and use the joke
- C. use the joke and explain how it relates to the content
- D. not use the joke because it is questionable

**Answer: D**

**Question 12:**

Refer to the following scenario:

An instructor is teaching an advanced two-day workshop for experienced users of a specific software program. The learners were recommended to participate by their supervisors. The instructor is informally talking with learners prior to the first session, when one of the learner confides that he is concerned about his ability to succeed in this course. This situation supports which of the following conclusions?

- A. An instructor should talk with all learners prior to the start of a course with prerequisites, to ensure that all learners' concerns are addressed ahead of time.
- B. An instructor should be able to plan and adjust instruction to account for learner differences during the course.
- C. An instructor should allow time at the beginning of a course for administering a short pretest on the course content.
- D. An instructor should formally survey learners before a course begins to avoid potential problems that could delay the session.

**Answer: B**

**Question 13:**

For this question, decide whether the action makes it likely or unlikely that the trainer will achieve the goal. Select the best statement of the reason that the action is likely or unlikely to accomplish the goal:

GOAL: To foster the learners' ability to adapt the concepts they have learned to other environments and situations.

ACTION: The instructor assigns unfamiliar tasks related to the concept to groups of learners and monitors the group's performance.

- A. LIKELY, because in groups the learners will try hard to complete the unfamiliar tasks to keep from appearing incompetent.
- B. UNLIKELY, because the exercise will not cover all the situations a learner might encounter.
- C. UNLIKELY, because the instructor will not be able to monitor each of the groups adequately at the same time.
- D. LIKELY, because responding to simulated situations approximates the demands of facing real situations.

**Answer: D**

**Question 14:**

An instructor is given an assignment to teach a group of learners who are reported to have some familiarity with the subject matter of the course. On the first day of class, it becomes apparent that the learners have no familiarity with the subject. Which of the following is the most appropriate action for the instructor to take in this situation?

- A. Teach the learners in the way already planned.
- B. Determine who provided the erroneous report about the learners.
- C. Adjust the course materials to fit the needs of learners.
- D. Refer the learners to a more basic course.

**Answer: C**

**Explanation:**

Ibtpi Competency One

Analyze course materials and learner information The whole group needs an understanding Trainer must make minor adjustments but also maintain integrity of course and adapt their delivery accordingly

**Question 15:**

Which of the following is the primary reason for using a welcome activity to begin a training session?

- A. To have learners become familiar with the backgrounds of fellow participants.
- B. To help learners become oriented to the instructional site.
- C. To allow learners to become informed immediately of course expectations.
- D. To make learners feel valued and secure in the class environment.

**Answer: D**
